CASAROVEA

CASAROVEA is a brand of PAROTEX, an Italian company which has been supplying jacquard table, bed and bath linens to leading hotels since 1976.

CASAROVEA was created in 2010 as a high quality standard project with a range of products for international markets designed to present worldwide "made in Italy" quality and style combined with our own dynamic and flexible approach.

CASAROVEA uses only the finest quality percale and sateen pure cotton to create tailor made bed linen either in the more traditional classic style or in fashionable colors and designs, to meet our customers' needs.

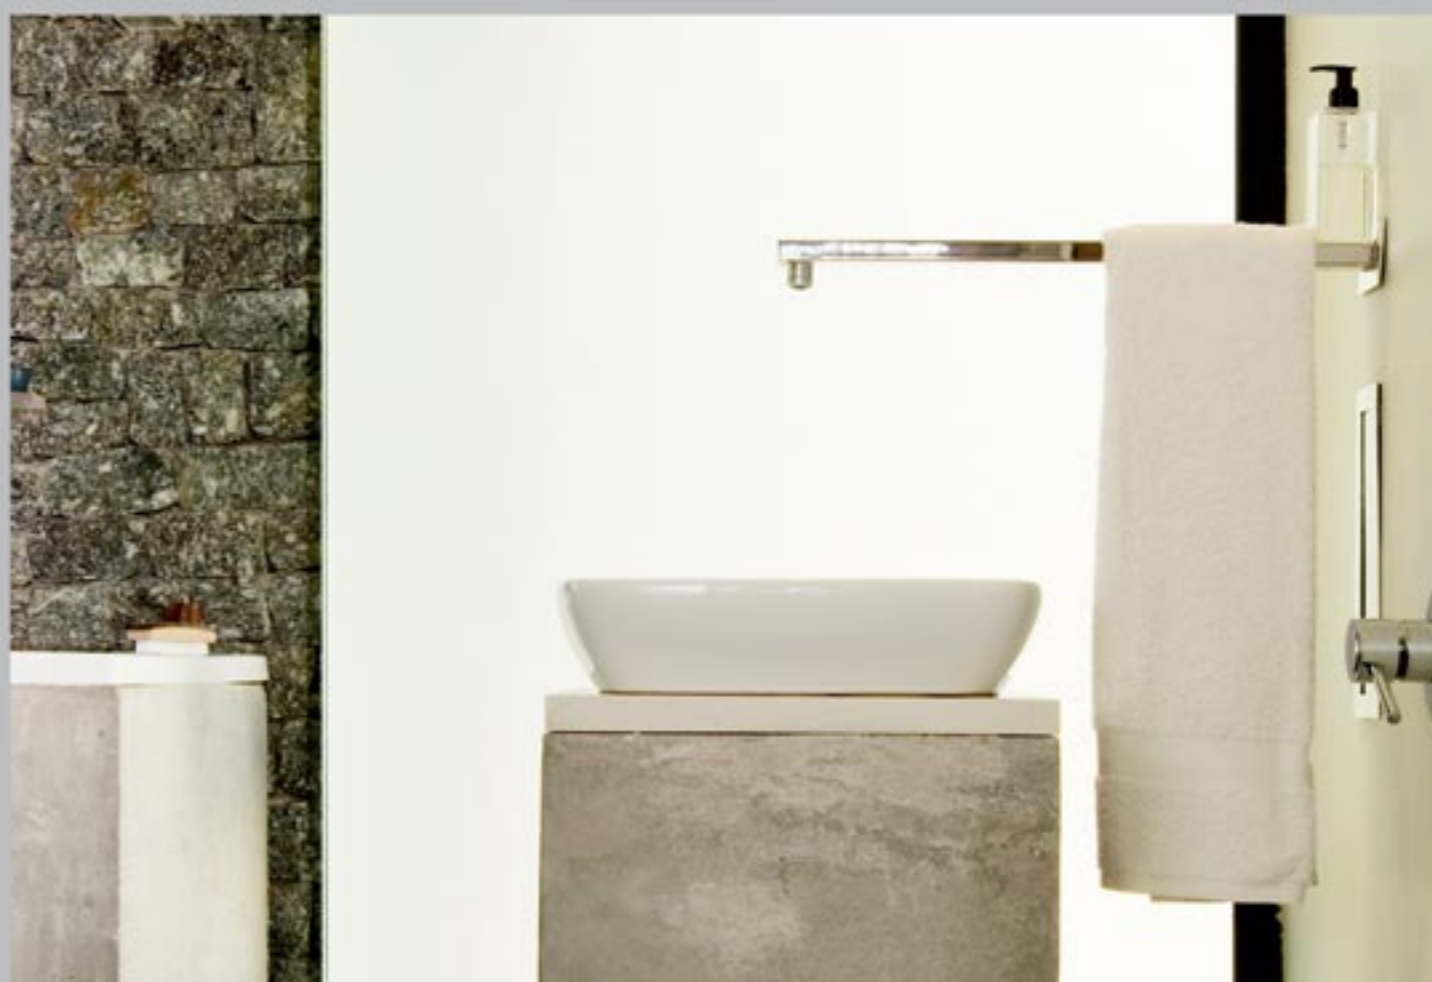

We are always looking for new solutions to give more originality and elegance in every room.
