## WELCOME TO MOTIVO FURNITURE

Motivo Furniture, a division of Ariston Hospitality, offers an extensive curated collection of over 200 European-designed chairs, tables, and table bases that are assembled, finished and upholstered domestically in either our High Point, NC or Alhambra, CA facilities. Motivo supplies the North American hospitality, design, contract, and related trade markets with a fashion-forward collection of fine quality products for multiple types of design and installation requirements.

### IN-LINE PRODUCTS AND CUSTOM CAPABILITIES

All our standard in-line exposed wood seating, wood table bases and tops are produced in select European beech, made to exacting specifications and industry acceptable contract-grade construction including assembly, application of foam products (TB 117-2013), materials and wood finishes. In addition, Motivo offers a three-year warranty and meets or exceeds applicable BIFMA or ANSI standards, are CATAS tested, and our superior conversion varnish wood finishes pass KCMA testing for industrial use.

The new Motivo West Collection, produced in our west coast facility, provides an assortment of seating products with mixed materials, including injection foam molding, exposed metal bases and legs, and unique bent wood seat shells. All incorporate the same contract grade construction and materials used throughout the Motivo product line.
