## INTERWOVEN LOGO

---

Casarovea Bespoke is an exclusive free service we give our clients.

Our highly skilled design team will accompany the customer in each step of the project.

We will create individual digital proposals to allow the client to visualize the style and positioning of their logo woven or embroidered on the products.

Or to envision the piping and any other special stitching they might desire.

Once the best option has been selected, we will create a physical sample for final approval.

This service is of outstanding quality and speed.
